How to enroll in Home Banking using a web browser

1. Go to our website https://curich.org/
2. Once you have reached our home page --click on the "Login to Online Banking" tab

LOGIN TO ONLINE BANKING

3. If you are a first time user you will need to click "enroll in online banking". Next you will need to enter the member number, online access pin, and the primary account holder's social security number.

Note: If you do not currently use our Audio Response service, you will have to call the credit union to obtain the online access pin number.

4. Once you complete the required fields, you must check the "I am not a robot" box and click "enroll".

6. Verify that your passwords match and click the enroll tab. All of the requirements must have a check mark as listed below. Once you complete this step you will see the green box pictured below that says "you have successfully enrolled".

Tip: Make sure you have create a secure password that cannot be replicated. Your password must be kept in a secure location that only you have access to. Never give out your password to anyone.

A password must contain:
- ✔ **At least 8 characters**
- ✔ **No more than 32 characters**
- ✔ **An uppercase letter**
- ✔ **A lowercase letter**
- ✔ **A number**
- ✔ **A special character, such as $, #, or @**

Do not use a previous password.

✔ You have successfully enrolled. You may log in using your new User ID and Password.

Select Security Questions

Select and answer five questions that are easy for you to remember and hard for others to guess. Answers can be from 4 to 32 characters long and can use numbers, letters and special characters.

Question 1:

Please select... ▼

Answer:

Question 2:

Please select... ▼

Answer:

Question 3:

Please select... ▼

Select and answer five questions that are easy for you to remember and hard for others to guess. Answers can be from 4 to 32 characters long and can use numbers, letters and special characters.

Question 1:

What is your favorite candy? ▼

Answer:

starburst ✕

8. Next you will be required to complete the Identity Verification section. To complete this step you must follow the instructions below to receive a code which will be required on the next screen.
9. If the existing phone number is correct, simply check the circle by the corresponding phone number. If the phone number is not correct, there will be a blank text box directly below which allows you to enter a new phone number. In the example below, we manually entered a phone number of 804-999-9999.
10. Once you have selected or entered a phone number you must create a phone nick name such as "cell phone" and choose which method you would like to receive the verification code.
11. Next check the "terms and conditions" box and hit save. You will be sent a verification code by the method you selected.

Set Up Phone for Identity Verification

Receiving verification codes on your phone provides additional security when making large transactions or changing personal information.

To start using online banking you must set up a phone for identity verification. Contact Member Services at 804-355-9684 for assistance.
